The docket number for this case is : 2012-177-WS

Water quality is not very good. They had increases not that long ago. For the past six years they have had three increases. They appear to take the increases and then do nothing to improve their service. They pollute Lake Wiley all the time.

Relief Requested: * (This section must be completed. Attach additional information to this page if necessary.)

Do not allow this water increase!
